

This year we are traveling to the white sandy beaches, salty air, and quaint villages of Cape Cod for three nights and four days. The Southeastern New England American Viticultural Appellation or SENE AVA stretches from Cape Cod through the South Coast of Massachusetts and Coastal Rhode Island to Coastal Connecticut. This year they are celebrating a history of 30 years of winemaking and growing, so it only seems fitting that we visit this cool grape-growing region that produces superb white and sparkling wines.

*Day 1* **Thursday, September 18, 2014**

We will be greeted by our tour guide at Boston Logan Airport, where we will board our private deluxe coach. We will visit Westport Rivers Winery, the largest vineyard in New England, which opened to the public in 1991 and has earned over 20 gold medals and endless praise from wine critics worldwide. We will continue on to the Wequassett Resort and Golf Club in Cape Cod before gathering at the resort for a traditional Lobster Bake Welcome Dinner.

*Day 2* **Friday, September 19, 2014**

After Breakfast we will meet our tour guide for a full-day excursion to the scenic lower Cape. Our guide will provide an entertaining tour on our private coach through lower Cape Cod and the heart of the National Seashore. We will arrive in Provincetown, a thriving artists' colony and the site of the first landing of the pilgrims, where we will embark on an exciting whale-watching cruise. After the cruise you will have time to grab a bite to eat and explore the area before heading to Truro for a private tour and wine tasting at the Truro Vineyards. We will then head back to the resort for an evening at leisure.

*Day 3* **Saturday, September 20, 2014**

After Breakfast we will meet our tour guide for another full-day excursion to Nantucket, the "Little Grey Lady." We will travel to Hyannis Harbor, than catch a high-speed catamaran ferry to Nantucket, where we will take some time to stroll around the scenic harbor before boarding our minicoach for a tour of the island. We will learn of the homegrown success story, the Triple Eight, as we are guided on a private tour and tasting at Cisco Brewers, Nantucket Vineyard, and Triple Eight Distillery. Upon returning to town, you will enjoy time on your own for lunch and shopping in Nantucket's quaint shops before returning to Hyannis on the high-speed ferry. After freshening up at the resort, we will gather for a Farewell Dinner at one of the local restaurants.

*Day 4* **Sunday, September 21, 2014**

After Breakfast we will check out of our hotel before meeting our tour guide for a final day of touring en route to Providence airport. We will depart Cape Cod and head to nearby Newport, where we will explore "Historic Hill" while our guide points out intriguing monuments along the way. Enjoy lunch and last-minute shopping at Newport's Bannister's and Bowen's Wharfs before visiting one of the local vineyards for our final tasting.
