FEBRUARY

Chilean Cabernet Sauvignon

We discovered a vineyard that epitomizes the layered fruit flavor and herbal character unique to Chilean wines. We secured the opportunity to share its offerings with Wine Club Members, bottled in a magnum that amplifies the power and elegance of Chilean Cabernet Sauvignon.

Join by February 21 to get a double-sized bottle.

MARCH

Artist's Red & White Blends

Official Wine of the Screen Actors' Guild Awards

Great actor and teacher Sanford Meisner once said, "Acting is behaving truthfully under imaginary circumstances." Artist's Red Blend 2022 celebrates those whose authentic spirit and craft inspire others. As winemakers, our appreciation runs deep for the creators who help evoke deeply personal experiences. Let's raise a glass to this year's SAG Award nominees and to Wine Club Members around the world who continue to shine. Salut!

APRIL

Abrillante

Abrillante is a blend of the Spanish words for April and Brilliant, a reminder of the European inspiration at work in this bottle. The palate is a mosaic of vibrant bright citrus and sweet floral notes, perfect for sipping with the season's tender and crisp greens and produce. It's spring in Spain, in a glass!
