### MAY

#### Spice Chest

Like chefs, winemakers blend seasonings and ingredients to craft their masterpieces, adding a pinch of this and a dash of that to unlock flavor combinations like no other. This jammy, fruit-forward red offers notes of unique spices that convey the artistry and craftsmanship behind the bottle.

### JUNE

#### Vin Velouté

A velvety wine with a luscious personality. Vin Velouté is rich with satisfying concentration. Packed with layers of jam, ripe red fruit and berry notes. Fruit-forward yet neatly balanced, Vin Velouté delivers all the smoothness its name suggests.

*You still have a chance to try our  
April Wine Club Exclusives!*

#### Abrillante

Abrillante is a blend of the Spanish words for April and Brilliant, a reminder of the European inspiration at work in this bottle. The palate is a mosaic of vibrant bright citrus and sweet floral notes, perfect for sipping with the season's tender and crisp greens and produce. It's spring in Spain, in a glass!
