AUGUST

Belo Vino

Winemaking in Slovenia dates back hundreds of years, but it's rare to find one of its quality bottled in the US. This traditional white wine—crafted by the 900-year-old Ptujka Klet winery in the ancient city of Ptuj—is a treasure, blending ancient passions with modern technology. Rich heritage is held in this bottle; a taste of the stunning terroir and charming culture of Slovenia, a rare opportunity to experience this country in your own home. *Na zdravje!*

SEPTEMBER

Vio

Viognier, the white wine darling native to France's Northern Rhône Valley, is truly an aromatic stunner. Ripe orchard fruit notes are set alive with a white floral perfume that diffuses from the glass. This wine has been aged in barrels to add an amplified layer of creaminess that will satisfy hearty food pairings, including grilled red meat. A white wine for all, including red wine lovers!

Appassimento

All across Italy, one can find a special space in some wine estates where freshly harvested grapes undergo a process called Appassimento. Here the fruit will spend weeks or months on bamboo racks or straw mats, drying naturally and slowly to concentrate sugars and flavors. This ancient tradition promises a dark-fruited, full-bodied red wine, a practice honored in the rich profile of Cooper's Hawk Appassimento.
