### DECEMBER

#### *PNW*

*Pacific Northwest: A Meritage Blend from Columbia Valley, Washington*

To the east of the Cascade mountains, in the shadows of their impressive peaks, is Columbia Valley: Washington's wine-growing region. The land is as dry and golden as the other side of the mountains is wet and green. Award-winning wines, made from noble grapes, come from this rocky, arid soil. Taste the best of the Pacific Northwest with PNW!

### JANUARY

#### *Rio de Ouro*

It's a seven-hour trip by boat from Porto to the heart of Portugal's Douro Valley. This waterway has for generations provided transportation of wine barrels to the city, floating them steadily away from the remote and extraordinary terraces carved into the hillsides rising from the banks. Rio de Ouro—named for its origin along this 'river of gold'—can be opened and enjoyed in a moment, an escape that will save you the effort but promises the magic of the trip.
