itinerary changes

While we do our best to outline the planned itinerary, all events listed are subject to change. Whenever adjustments are needed, our tour director will ensure appropriate alternative plans.

mobility guidelines

We often tour wineries, cellars, and other historic locations. Your itinerary includes walking tours in historic locations that often have uneven cobblestones and stairs. We've endeavored to find a balance so there is ample time to relax and enjoy lunch or a unique site; however, there are many visits that will require guests to be on their feet and mobile for extended periods of time. Your tour director will give you an explanation of each day's activities the day prior, including the amount of activity involved. Please advise of any mobility issues at the time of booking so we can work with our ground operators to best accommodate you.
