

Key Considerations When Using DailyPay

dailypay.

Changes To Your Personal Information

Make sure your phone number and email are up to date in your Payroll System

This allows you to quickly and securely log into DailyPay to see your Available Balance

Any updates to your direct deposit must happen within your DailyPay Account

Any updates to your personal bank accounts and/or paycards must happen within DailyPay

How it Works: Transfers

Instant

\$3.49

Instant or \$0 to Friday card

1-3 Business Days

No fee

Available the following 1-3 business days

FAQs

- You can transfer your entire available balance in a single day, up to \$1,000
- The minimum transfer amount is \$5
- You can make up to 5 transfers per day

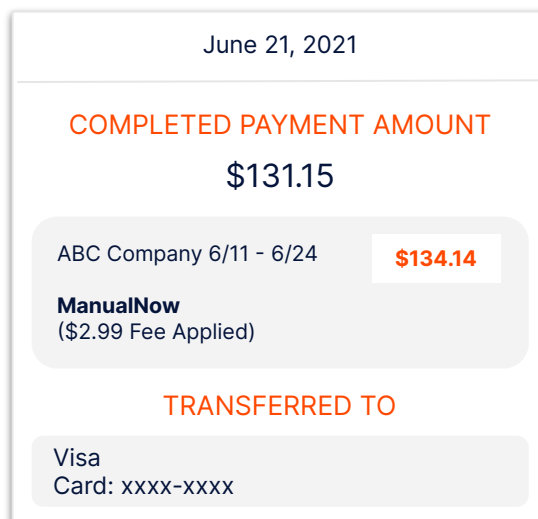

What Happens on Payday

- On payday, you will be receiving your full paycheck minus anything you've transferred early from DailyPay. As a result, you will see "DailyPay" or "Wells Fargo" on your bank statements – this is normal!

To track your activity within DailyPay, go to the **Payments** and **Statements** tab in your DailyPay account.

Click **Details** for more information on early transfers and remaining pay.
