

FOOD ALLERGENS & SENSITIVITIES GUIDE

The Cooper's Hawk Kitchen has many shared components, including preparation areas, utensils, and cooking equipment. While we take precautions to prevent cross-contact with allergens, the possibility exists and **we cannot guarantee that any food item is allergen-free**. The dots indicate when an allergen is present in a dish. Items designated with an asterisk (*) either are cooked or have an ingredient that is cooked in a fryer, making them potentially subject to cross-contact with the allergens listed below, excluding tree nuts and peanuts.

Please inform your server of your allergy for guidance.
