SAN FRANCISCO - NAPA VALLEY

Enjoy breakfast at the hotel, then board our private coach to begin our explorations for the day. Mimosas, anyone?

DeLoach Vineyards has been a pioneering winegrower in the Russian River Valley since 1975 and was the first winery to plant Pinot Noir on the Olivet Bench, as well as use the Russian River Valley designate on its wine labels. Learn about the winery's history, philosophy, winemaking techniques, and commitment to organic and biodynamic farming while touring the 20-acre Demeter-certified estate. Through a selection of barrel samples, explore the terroir of DeLoach Vineyards, where each block represents a component of the finished estate wine.

Then, we head to Oakville Grocery, part of the Boisset Collection. The oldest continually operating grocery store in California, it was founded in 1881 and is a destination for locals and visitors alike. At Oakville Grocery, the team of chefs have created menus that highlight fresh and local fare. You'll savor a delectable lunch with a glass of 1881 from the acclaimed Oakville Winer Merchant, a destination where you can enjoy a selection of more than 50 wines by the glass from Napa's finest producers. Take a few minutes to enjoy a self-guided tour through the historic 1881 Museum and purchase souvenirs from Oakville Grocery.

After lunch, we live the dream of being a Winemaker for a Day in the Raymond Vineyards Blending Room. Learn the art of winemaking while blending your own Napa Valley Bordeaux-style red blend. This unique and exclusive experience provides guests the opportunity to learn about winemaking in a creative and fun atmosphere.

After your blending experience, we head to Archer Hotel Napa, located in downtown Napa. Check in and relax for a bit before we depart for dinner within walking distance of the hotel.

Enjoy breakfast at the hotel before boarding our private coach to begin today's adventure.

First, we'll stroll through the historic and beautiful grounds of Buena Vista Winery, then journey through the property's renovated Champagne Cellar. You'll enjoy a flight of Buena Vista current release wines as you're regaled with the history of the estate, which began in 1857. Next, we'll step into the caves to sample wine thieved directly from a barrel.

After our visit to Buena Vista, we head to downtown Sonoma, known for its art galleries and the colonial-era Sonoma Plaza, full of restaurants, shops, and tasting rooms. The plaza is surrounded by significant 19th-century adobe buildings like Mission San Francisco Solano and the Sonoma Barracks, which were once used by the Mexican military. We'll enjoy lunch together, then you'll have some time to wander on your own before we head back to our hotel.

This evening, we coach back to Raymond Vineyards for a spectacular Farewell Dinner and more of those delicious Boisset wines. You never know what surprises await at Raymond!
