JULY WINE CLUB EXCLUSIVE

ISOLA DEL SOLE

(EE-SO-LA DEL SOHL)

CAPRI IS CALLING

Experience all the luxuries of Capri, Italy — without the plane ticket! Visit us for a summer inspired by the Italian lifestyle. Enjoy Italian wines, our new Clementine Spritz, specially themed Wine Club Events, chef-driven dishes, and curated collections that bring Italy to your home!

BEGINNER

Isola del Sole means “island of the sun” in Italian, and this wine is the ultimate fresh white to transport you to a café on the island of Capri! Fresh white peach, lemon, orange, and orange blossom flavors burst from the glass, and on the palate, the wine is surprisingly dry and crisp. Drink it with tuna poke or prosciutto-wrapped melon.

INTERMEDIATE

Zibibbo is the Sicilian name for the Muscat (or Moscato) grape variety. While most people think of Muscat-based wines as being sweet, this grape can be fermented to produce a dry or sweet wine, just like all other grapes. The intense floral and fresh fruit aromatics that make sweet Moscato popular are just as present, but the dry style makes it much more refreshing.

ADVANCED

The island of Sicily has had many residents, including Arabs, known as Moors, in the Middle Ages. While the Moors didn't drink wine, they loved growing Muscat grapes for raisins on this island. The old Arabic word for “raisin” is *zabīb*, which is how this familiar wine got the unusual name of Zibibbo on this island alone. When wine-loving people took over the island, they were quick to ferment these grapes into delicious wines like Isola del Sole.

The Hidden Sea

COLLABORATION

Cooper's Hawk Wine Club Members can stand shoulder to shoulder with the ReSea Project to remove single-use plastic from the Earth's vast ocean landscape. Blended by The Hidden Sea, each bottle you enjoy removes the equivalent of 10 plastic bottles from the sea — drink wine and join the movement.

This exclusive wine is a powerful Australian blend of Shiraz and Cabernet Sauvignon. It boasts bold, dark flavors of blackberry, black cherry, and aromatic violet. It also has notes of smoke and vanilla bean from gentle aging in oak. We cannot wait for you to try it!
