SEPTEMBER

Vio

Vignier, the white wine darling native to France's Northern Rhône Valley, is truly an aromatic stunner. Ripe orchard fruit notes are set alive with a white floral perfume that diffuses from the glass. This wine has been aged in barrels to add an amplified layer of creaminess that will satisfy hearty food pairings, including grilled red meat. A white wine for all, including red wine lovers!

OCTOBER

Global Cuvée

This year, we have crafted a wine that's as unique and special as you are. In honor of 17 years, Global Cuvée was sourced using "the king of grapes" from 17 premium vineyards across four countries, and it's our toast to you! In celebration of the moments we've shared and memories we've created, each year represents countless connections. We are honored to walk alongside you on this journey.

You still have a chance to try our August Wine Club Exclusive!

Belo Vino

Winemaking in Slovenia dates back hundreds of years, but it's rare to find a quality bottle in the U.S. This traditional white wine—crafted by the 900-year-old Ptujška Klet winery in the ancient city of Ptuj—is a treasure, blending ancient passions with modern technology. Rich heritage is held in this bottle: a taste of the stunning terroir and charming culture of Slovenia—a rare opportunity to experience this country in your own home. *Na zdravje!*
