Trio 1

All three of these wines are made from very aromatic grapes. They can be made in a dry or sweet style, depending on how they are fermented. Leaving some unfermented sugars in the wine softens the perception of acidity, while fermenting it completely dry amplifies the aromatic, floral notes.

Trio 2

Our Cooper's Hawk Red is a blend of Cabernet and Merlot, which is a common blend as these grapes have great synergy. See how those grapes taste in a blend, vs Cabernet Sauvignon and Merlot all on their own. It is like comparing a duet to a solo act!
